

To whom it may concern,

As a contractor based in the North East, we have sub-contracted Rubber roofs Ltd on numerous occasions to do flat roof works on our projects.

Charles and his team have repeatedly proven themselves as a fantastic, hardworking and honest bunch. The quality of their work is second to none, and we have had no comeback whatsoever on work they have done.

The above points are the reasons we are repeat customers of theirs.

Kind Regards
Aaron Simons
